

FREQUENTLY ASKED QUESTIONS

Everything your institution needs to know before becoming a CNTS School Partner.

**PARTNERSHIP &
REGISTRATION**

1. What is Courage National Talent Search (CNTS)?

CNTS is a national assessment initiative designed for students of Classes 5 to 8. It evaluates aptitude, logical reasoning, creativity, problem-solving and overall analytical abilities to help students discover their strengths beyond traditional academic exams.

2. Who can participate in CNTS?

Students from Classes 5 to 8 studying in any recognized school across India can participate. We have two categories: Junior (Classes 5–6) and Senior (Classes 7–8).

3. Which classes are eligible?

CNTS is open to students of Classes 5, 6, 7 and 8. Schools can register students from either or both categories.

4. Can government schools participate?

Yes, absolutely! CNTS welcomes participation from government, government-aided, private and international schools across India.

5. Can private schools participate?

Yes. Private schools are encouraged to partner with CNTS. Our goal is to create an inclusive platform for every learner, regardless of the type of school.

6. Is partnership mandatory?

Partnership is not mandatory. However, we encourage schools to become official partners to unlock exclusive benefits for their students and institution.

7. Is there any partnership fee for schools?

No. There is no partnership fee for schools. Our mission is to make quality assessments accessible while adding value to educational institutions.

8. How does a school become a partner?

It is simple! Schools can submit a Partnership Request through our official portal www.thecouragelibrary.com/for-schools. Our team will connect with you and guide you through the next steps.

**ASSESSMENT, TECHNOLOGY
& OPERATIONS**

1. Is the assessment online?

Yes. CNTS is a fully online assessment conducted through a secure and student-friendly platform. Students can take the exam from school computer labs or from home.

2. How long is the assessment?

The assessment duration is 60 minutes. It is divided into multiple sections designed to evaluate different skills in a time-bound manner.

3. What devices are supported?

The assessment can be taken on desktops, laptops, tablets and most modern browsers (Chrome, Edge, Firefox). A stable internet connection is recommended.

4. Who conducts the examination?

CNTS is designed and conducted by the expert team at Courage Library. The entire assessment process is automated, secure and monitored through advanced technology.

5. How are students registered?

Schools can register their students through our official portal. After verification, students will receive login credentials and instructions to appear for the assessment.

6. What if the internet disconnects during the assessment?

Our system auto-saves responses in real-time. In case of disconnection, students can rejoin the assessment from where they left off once the connection is restored.

7. Is technical support available?

Yes. Our dedicated support team is available via email and chat during the assessment window to resolve any technical issues quickly.

8. Is student data secure?

Absolutely. We follow industry-standard security practices to ensure the privacy and confidentiality of every student's data.

9. Can schools register only selected students?

Yes. Schools have the flexibility to register any number of students based on their preference and internal selection process.

“Designed to be simple for schools
and meaningful for students.”

FREQUENTLY ASKED QUESTIONS

Everything your institution needs to know before becoming a CNTS School Partner.

REPORTS, RECOGNITION
 & SUPPORT

1. What reports will schools receive?

Schools will receive a detailed performance report for each participating student, along with an overall summary report to help understand strengths and improvement areas.

2. Will students receive certificates?

Yes. All students will receive a digital Certificate of Participation. Top performers will receive Merit Certificates and special recognition.

3. Will schools receive certificates?

Yes. All partner schools will receive a Certificate of School Partnership. High-participation schools will be recognized on our platform.

4. Are rankings provided?

Yes. Students will receive All India Rank along with category ranks. School-wise performance summaries will also be provided.

5. How are results announced?

Results are announced digitally on our official website. Schools will be notified via email once results are declared.

6. Is support available after registration?

Yes. Our team provides complete support before, during and after the assessment, including onboarding, technical assistance and result interpretation.

7. How can we contact CNTS?

You can reach us anytime via email at partners@thecouragelibrary.com. We are always happy to assist you.

8. How do we submit a partnership request?

Simply visit our official portal, fill out the School Partnership Request Form and our team will connect with you at the earliest.

**Join hands with CNTS
 and empower your students
 to discover their true potential.**
