

Welcome to the CNTS School Partner Network!

Thank you for partnering with CNTS – Courage National Talent Search.

As a School Coordinator, you play a key role in discovering potential beyond marks and empowering young minds through a fair, secure and meaningful national assessment. This handbook is your step-by-step guide to successfully manage CNTS in your school.

National Initiative

Be part of a prestigious assessment for Classes 5 to 8.

Meaningful Assessment

Designed to evaluate aptitude, creativity, and life skills.

Student Growth

Help students discover their strengths and true potential.

Stronger Together

Let's build an ecosystem of trust, transparency and excellence.

Your leadership as a coordinator will ensure a smooth experience for your students and help your school make the most of this partnership.

Fairness.
Security.
Excellence.

This Handbook Will Help You

Understand Your Role

Know your responsibilities and key timelines.

Follow Step-by-Step Processes

From student registration to results and certificates.

Use Tools Effectively

Leverage dashboards, reports and resources.

Get Support Whenever You Need

We are here to support you at every step.

Your Role as a School Coordinator

As the CNTS School Coordinator, you are the key link between your school, your students, parents and the CNTS team.

Your leadership ensures a smooth, successful and impactful experience for everyone.

Your Key Responsibilities

Register Students

Facilitate accurate registration of students through the official portal.

Coordinate with Parents

Share important information, dates and guidelines with parents and guardians.

Share Examination Information

Communicate assessment details, preparation tips and technical requirements.

Assist During Registration

Guide students and parents through the registration process and resolve queries.

Receive Reports & Insights

Access school performance reports and student insights to support learning outcomes.

Communicate with CNTS

Serve as the primary point of contact for any support or coordination needs.

Key Mindset

- ✓ **Facilitator** – Guide students and parents through the process.
- ✓ **Communicator** – Keep everyone informed and engaged.
- ✓ **Organizer** – Ensure timelines and tasks are followed.
- ✓ **Supporter** – Be available and approachable for all queries.
- ✓ **Champion** – Inspire participation and celebrate every achievement.

Pro Tip

Your active involvement can help more students participate and perform to their true potential. Together, we can build a culture of talent discovery in your school!

Your Journey with CNTS

1

School Approved
 Your school becomes an official CNTS partner.

2

Coordinator Activated
 You receive access to the coordinator dashboard.

3

Students Registered
 You register students for the assessment.

4

Assessment Conducted
 Students appear for the online assessment.

5

Results & Insights
 Access performance reports and student insights.

6

Certificates Issued
 Students and schools receive certificates.

Your dedication and coordination play a vital role in creating a fair, inspiring and enriching experience for every student in your school.

*Thank you for being
 a part of this journey!*

Partnership Workflow

A simple step-by-step journey
 from partnership to impact.

Our structured process ensures a smooth experience for your school, students and parents at every stage.

Each step is designed to be simple, transparent and impactful.
 We are with you at every step of the journey!

Student Registration Process

Follow these simple steps to register students from your school.

Step-by-Step Registration Guide

- 
Login to the Coordinator Dashboard
 Use your registered email ID and password to access the CNTS Coordinator Portal.
- 
Add Students
 Go to "Students" section and click on "Add New Student".
- 
Enter Student Details
 Fill in the required information accurately. (See required details on the right)
- 
Review & Submit
 Verify all details and click "Submit". Student will be added to your school list.
- 
Share Information
 Share exam schedule, preparation resources and guidelines with students & parents.
- 
Track Registration
 Monitor total registrations and download registration summary anytime.

Information Required for Each Student

- Full Name (as per school records)
- Class / Grade
- Date of Birth
- Gender
- Parent/Guardian Name
- Mobile Number (Parent/Guardian)
- Email ID (Parent/Guardian)
- School Roll Number (Optional)

All data is secure and will be used only for CNTS purposes.

Important Tips

- ✓ Enter accurate details to avoid issues later.
- ✓ Double-check mobile numbers and email IDs.
- ✓ Inform parents about exam dates and important updates.
- ✓ You can edit student details anytime before the assessment.
- ✓ Encourage maximum participation from all eligible students.

Best Practices

Plan early and set registration targets for your school.

Share information clearly with students and parents.

Use school assemblies and notices to promote participation.

Track registrations regularly and follow up for pending entries.

Assessment Day Guidelines

Ensure a smooth, fair and secure assessment experience for every student.

BEFORE THE ASSESSMENT

Share Important Information

Share the exam schedule, guidelines and do's & don'ts with students and parents.

Check Student Readiness

Ensure students are prepared and aware of the exam instructions.

Verify Devices & Internet

Students should have a laptop/desktop with a stable internet connection.

Test the System

Encourage students to run a system check on the CNTS exam portal.

Create a Conducive Environment

Ensure a quiet space with no distractions during the assessment.

Preparation today ensures a hassle-free assessment tomorrow.

DURING THE ASSESSMENT

Be Available for Support

Remain reachable to assist students in case of any issues.

Ensure Fair Conduct

Encourage students to follow all instructions and exam rules.

Discourage Interruptions

Ensure students are not disturbed by calls, messages or visitors.

Monitor Time

Remind students to manage time and attempt all questions.

Report Issues Promptly

Note any technical issues and inform the CNTS support team.

Your support helps students focus and perform their best.

AFTER THE ASSESSMENT

Confirm Submission

Ensure students have successfully submitted their assessment.

Do Not Discuss Questions

Students should not share or discuss questions with others.

Encourage Feedback

Collect student feedback to help us improve future assessments.

Await Results

Inform students and parents about the expected result date.

Share Appreciation

Recognize and appreciate every student's participation.

Celebrate effort, not just results. Every attempt is a step forward!

ASSESSMENT DAY ESSENTIALS

Laptop/Desktop
(Windows 10 or above /
Mac / Chromium OS)

Stable Internet
Connection
(Minimum 2 Mbps)

Headphones
(Recommended)

Quiet & Well-lit
Environment

Valid Student
Information

CNTS uses advanced security to ensure a safe and fair assessment for every student across the country.

KEY REMINDERS

- ✓ No tab switching or use of unauthorized resources is allowed.
- ✓ Students must remain visible (as per proctoring guidelines).
- ✓ Any malpractice may lead to disqualification.
- ✓ Always follow CNTS guidelines for a fair and respectful assessment.

Support & FAQs

We are here to support you at every step. Below are answers to common questions and details on how to reach us.

Frequently Asked Questions

1. Who can be a School Coordinator?

A teacher or staff member nominated by the school administration can be the Coordinator.

2. How do I register students?

Log in to your Coordinator Dashboard and use the "Add Student" option. Follow the steps on Page 4.

3. Is there a registration deadline?

Registration timelines will be shared in advance. Please follow the schedule communicated by CNTS.

4. How is the assessment conducted?

It is an online assessment conducted on the CNTS platform. Students can appear from home or school.

5. When will results be declared?

Results are typically available within 7–10 days after the assessment.

6. How can students get their certificates?

Students can download their certificates from the CNTS platform using their login credentials.

7. Is student data safe and confidential?

Yes. We follow strict data privacy and security protocols. Data is used only for CNTS purposes.

8. Whom should I contact for help?

Reach out to our support team using the contact details on this page.
